L.R. (2011)

"Great doctor! When nothing, and I mean nothing, else worked, he saved my face. I had tried all the over the counter acne meds- Neutrogena, Proactive, and regrettably Murad which ruined my face and my confidence. Dr. Busso was able to correct it all and gave me my confidence back. I highly recommend him. Don't wait until you've tried everything else, just start with the best solution."

D.M. (2011)

"I Love Dr. Busso!! He made me feel pretty again."

P.C. (2010)

"Dr. Mariano Busso is the best dermatologist I've had the pleasure of working with. He's always positive and upbeat and knows what he's doing. I never have to wait weeks to get an appointment and his office staff is great too. I have referred several friends and family members to him because I trust him and appreciate the level of care he provides."
